4. As for the North Kanara District there is no Industrial Bank in the District, nor is it likely that the Reserve Bank will permit one to be formed. The leading Co-operators and Industrialists of the District are in favour of having Taluka Rural Industrial Co-operative Societies as in the old Mysore Area to Channelise the loans from the Rural Industries Financing Bank. Hence it is proposed to form Primary Societies at the taluka level in this District also for that purpose.

5. It is, therefore, directed that the pattern of agencies for the channelising of loans from the Rural Industries Financing Bank to artisans, and Small Scale and Rural Industrialists shall be as follows :—

Area	*Agency*
Old Mysore Area Hyderabad Karnatak Area North Kanara District South Kanara District Coorg District Kollegal Taluk	The Primary Rural Industrial Co-operative Societies of the Taluks.
Bombay Karnatak Area (excluding North Kanara District).	The District Industrial Banks.

The Joint Director of Industries and Commerce (Rural Industrialisation), should take steps accordingly to organise Primary Rural Industrial Co-operative Societies at the Taluk level wherever they are required and get them affiliated to the Rural Industries Financing Bank.

By Order and in the name of the Governor of Mysore

S. N. KALABHAIRAVAN,
Under Secretary to Government,
Commerce and Industries Department.

AGRICULTURE AND FOREST SECRETARIAT.

Delegation of Powers to the Director of Animal Husbandry and Veterinary Services to fix the selling price rates of Poultry and its Products.

READ—

1. Government Order No. AFD 159 AHS 57, dated 30th August 1958.
2. Letter No. PDE 71/59-60 dated 2nd August 1959 from the Director of Animal Husbandry and Veterinary Services, Mysore, Bangalore.

ORDER NO. AFD 145 VAH 59, DATED BANGALORE, THE 9TH OCTOBER 1959 (ASVIJA 17, SAKA ERA 1881).

The Director of Animal Husbandry and Veterinary Services, Mysore, Bangalore states that the selling rates of poultry and its products will have to be according to the demand depending upon the prevailing market prices. Since the prices of poultry and its products will be fluctuating every now and then, he has to approach Government frequently for fixing up the price of poultry and its products of the Government Farms in the absence of delegation of powers in this respect. Moreover the eggs during summer season will have to be utilised more for table than for hatching and if the rates are not reduced in time according to the seasonal variation there would be wastage. The Director of Animal Husbandry and Veterinary Services in the circumstances requests Government for the delegation of power to fix up the selling rates of poultry and its products in the Government Farms.

The proposal is accepted and the Director of Animal Husbandry and Veterinary Services is authorised to fix the selling prices of poultry and its products in the Government Farms.

By Order and in the name of the Governor of Mysore,

T. SIDDALINGADEVARU,
Under Secretary to Government,
Agriculture and Forest Department.
